Handling Suggestions:

This mix should perform for its intended use for 18 months in cool dry storage. Hot, humid storage may reduce shelf life. Each shipment will be properly controlled and handled to prevent adulteration as defined in the Food, Drug and Cosmetic Act (section 402).

Benefits:

Dry mix is easy to make, convenient and requires no refrigeration.

Additional Information:

Ingredients:

Enriched bleached flour (wheat flour, niacin, reduced iron, thiamin mononitrate, riboflavin, folic acid, malted barley flour), sugar, soybean oil, dextrose. Less than 2% of: baking soda, sodium aluminum phosphate, sodium acid pyrophosphate, monocalcium phosphate, salt, mono-diglycerides, natural and artificial flavor (contains milk derivatives).

Information concerning nutritional values and product ingredients, including major food allergens, is obtained solely from the vendor or manufacturer of the specific product, without any edits or filters by PERFORMANCENet or PFG. In most cases, the vendor or manufacturer submits nutritional values to PFG as rounded values and not actual values; therefore, laboratory test results for nutritional content of multi-ingredient menu items may be different from the calculated values using the data provided. PFG does not perform any independent evaluation, review, or screening of the vendor's or manufacturer's compliance with federal, state, or local labeling requirements, or other claims. PERFORMANCENet and PFG provide this information solely as a courtesy, and make no representation concerning its accuracy. Always read the product label before use. PERFORMANCENet and PFG do not warrant or guarantee the information provided by the third party information content providers and expressly disclaim any liability arising therefrom.
